
Russia's Transformation: Challenges for U.S. Policy

The situation in Ukraine tops the news right now. Speculations run high about what the crisis means for the United States, Europe, and Russia. [Russia's Transformation: Challenges for U.S. Policy](#) provides a rich historical overview of U.S.-Russia relations from the Russian Empire through the present. The materials cover the social and economic upheaval that followed the end of the Soviet Union, and then helps students assess the most recent challenges for U.S.-Russia relations.

In addition to the print and PDF editions of *Russia's Transformation: Challenges for U.S. Policy*, we also have [iBooks Textbooks](#) and [eText Classroom editions](#).
