

Subgroup Inclusion in Adequacy calculations for Fall 2012 reporting

See SubGroup descriptions on the website for more details on the subgroups

		Green = included	Red = Not included
Subgroup	Reading performance for Elementary and Middle schools	Included in Whole School calculation	Included in AMA01 Reading Calculation
ELComp>=4 - 732	English Learners w/Composite > = 4.0 in previous year with an SGP (so 2 years of NECAP reading scores) and >= .9 Average Daily Membership in the teaching year	Yes	No
IEPSG - 734	IEP but not EL with an SGP calculated (so 2 years of NECAP reading scores) and >= .9 Average Daily Membership in the teaching year	Yes	No
SESSG - 735	SES but not IEP and not EL with an SGP calculated (so 2 years of NECAP reading scores) and >= .9 Average Daily Membership in the teaching year	Yes	No
AllOthers -737	All others (not SES, not IEP, not EL) with an SGP calculated (so 2 years of NECAP reading scores) and >= .9 Average Daily Membership in the teaching year	Yes	No
ELComp<4 -730	English Learners with an Access for ELLs Composite score < 4.0 in previous year (or >= 4.0 in current year) and an AMA01 score (which requires two years of data)	No	Yes
	Students without 2 years of NECAP reading test data, Students with Composite < 4.0 without 2 years of Access for Ells test scores , ALT tested students, students with < .9 Average Daily Membership.	No	No

Subgroup Inclusion in Adequacy calculations for Fall 2012 reporting

See SubGroup descriptions on the website for more details on the subgroups

		Green = included	Red = Not included
Subgroup	Reading performance for High School	Included in Whole School calculation	Included in AMA01 Reading Calculation
ELComp \geq 4 - 732	English Learners w/Composite \geq 4.0 in previous year with a reading index score in the year being reported and \geq .9 Average Daily Membership in the teaching year (NECAP or ALT tested)	Yes	No
IEPSG - 734	IEP but not EL with a reading index score in the year being reported and \geq .9 Average Daily Membership in the teaching year (NECAP or ALT tested)	Yes	No
SESSG - 735	SES but not IEP and not EL with a reading index score in the year being reported and \geq .9 Average Daily Membership in the teaching year (NECAP or ALT tested)	Yes	No
AllOthers -737	All others (not SES, not IEP, not EL) with a reading index score in the year being reported and \geq .9 Average Daily Membership in the teaching year (NECAP or ALT tested)	Yes	No
ELComp $<$ 4 -730	English Learners with an Access for ELLs Composite score $<$ 4.0 in previous year (or \geq 4.0 in current year) and an AMA01 score (which requires two years of data)	No	Yes
	Students with $<$.9 Average Daily Membership, Students with Composite $<$ 4.0 without 2 years of Access for ELLs test scores	No	No
