LEP Data Sources:

Continuous Enrollment (CE) data are taken from: the End of Year (EOY) i4see file - submitted by your district.

Currently Eligible Status and Monitored Status data are taken from the Oct. 1, Testing Yr, Beginning of Year (BOY) file submitted by your district.

First Year in US Schools: Test Administrator must have marked the bubble on page 2 of the student answer booklet to indicate that student did not do reading because he or she was in his or her first year of enrollment in US schools.
