Reading	Math	Reading	Math	Listening, Speaking, Reading & Writing	Listening, Speaking, Reading & Writing	Reading	Math	
-	LEP 1 st yr. in US schools	-	-	All LEP students are required to take the ACCESS test, unless they have a written state approved exemption*. (Students who refuse to test, or are absent, or results are coded as invalid are INCLUDED in this performance calculation. Non-participation in ACCESS, if unapproved, hurts AMAO 1.) Note: For AMAO 1 Calculations only those students are included who have 2 consecutive year test scores which, therefore, allows the determination of progress.	All LEP students are required to take the ACCESS test, unless they have a written state approved exemption*. (Students who refuse to test, or are absent, or results are coded as invalid are INCLUDED in this performance calculation. Non-participation in ACCESS, if unapproved, hurts AMAO 1.) Note: AMAO 2 calculations include only those student in the 'Expected Proficiency Cohort'. See current Title III Accountability Workbook for detailed information on students in this cohort.	-	-

For participation guidelines for statewide academic assessment, go to: www.state.nh.us/NECAP . For detailed information regarding team decisions to place a student in NH-Alt Statewide Assessment, go to: www.ed.state.nh.us/assessment . On this page Choose: NH-Alternate Assessment, Then Choose: Current Year Materials and Information.				* State Approved Exemptions to ACCESS for ELLs® Test Participation are permitted, after state review and written approval, under only two conditions: 1. Severe medical/traumatic emergency (including death in family), or 2. Verified Participation in NH-Alt Assessment. To apply: Contact Susan Morgan at: smorgan@ed.state.nh.us or (603) 271-3719. ** LEP students with officially documented school enrollment date of Feb. 1 or later of the test year, are not required to participate in ACCESS testing during that school year. Source documentation to be checked will be official District End of Year (EOY) data submission to NHDOE through i4see data reporting process.
