

In English language arts/literacy (ELA), the Smarter Balanced Field Test Assessment is comprised of two components: The Classroom Activity and Performance Task (PT) and a series non-performance task test questions. Neither section is timed, but estimated average times for completion have been established.

Assessment Sequence

Smarter Balanced recommends that students take the PT and the non-PT questions on separate days. There is no prescribed order to these components; however, the classroom activity, which is designed to introduce the PT, must occur prior to the PT. Smarter Balanced recommends that students begin with the non-PT questions, followed by the classroom activity, and then the PT.
