

TECHNICAL ASSISTANCE FOR EXTERNAL SCHOOL IMPROVEMENT PROVIDERS

Please attend any of these sessions to learn about the Statewide System of Support System, **Steps to Success** that the SEA is advancing for schools and districts in need of improvement. As a provider of school improvement activities it would be advantageous for you to understand the system. All schools in restructuring are required to use the tool. Please feel free to share this notice with other interested entities.

NH is a Pacesetter State for the Center on Innovation and Improvement (CII), **Steps to Success On-line Assessment Tool**. Karen Laba, State Consultant for School Improvement, is bringing new vitality to this initiative. She will be available to coach new SINIs and DINIs in the use of this tool. This tool is one element in the CII system of supports for school improvement. To learn more, you may visit the Center on Innovation and Improvement at the following site: www.centerii.org. Login to Indistar (**Steps to Success** is NH's logo for Indistar) use the passwords **nhschool/nhschool or nhdistrict/nhdistrict** to review the tool. If you have difficulty accessing the tool, please contact Joe Trunk at jtrunk@rmcres.com.

Technical assistance sessions to provide an overview of the process for the **new SINIs** will be offered at the following locations:

Monday	May 2	1-4	Claremont PD Ctr
Thursday	May 5	9-12	PSU - Concord
Wednesday	May 11	9-12	Seacoast PD Ctr
Wednesday	May 25	1-4	North Country PD Ctr

A technical assistance session will be offered for **new DINIs** on Thursday May 5 from 1:00 to 3:35 at PSU-Concord

To register contact Kristine Braman at kbraman@ed.state.nh.us
