The State Performance Plan (SPP) is a six year plan to improve outcomes for children and youth with disabilities. The Annual Performance Report (APR) is the annual report of progress on the indicators of the SPP. IDEA requires that states report annually to the public on the performance of each local education agency (LEA) or district on 14 of the 20 indicators. The District Data Profiles Reference Sheet provides an indicator-by-indicator explanation of the profiles. The New Hampshire (SPP) and (APR) are available online at [http://www.education.nh.gov/instruction/special\\_ed/spp.htm](http://www.education.nh.gov/instruction/special_ed/spp.htm).
