RE: Issuing of SASID Numbers to Children Prior to their 3rd Birthday

This memo is to offer guidance to school districts regarding the issuing of a State Assigned Student Identifier (SASID) number to children prior to their 3rd birthday. This is required when a child under age 3 is referred and evaluated to determine eligibility for special education through Child Find or Family Centered Supports & Services.

Special Education Directors should work with the i4see Coordinators to have SASID numbers issued to these students.

A list of i4see coordinators can be found at www.ed.state.nh.us/i4see via "Tip 4" on that page.

This document is available in alternative format upon request.
