RE: LEA Reporting Requirements in IDEA for Parentally Placed Private School Children

As part of the reporting requirements of IDEA 2004, school districts must report to the New Hampshire Department of Education the number of parentally placed private school children who were served under Sec. 612(10)(A)(V). Specifically, the law states:

"Each local educational agency shall maintain in its records and provide to the State educational agency the number of children evaluated under this subparagraph, the number of children determined to be children with disabilities under this paragraph, and the number of children served under this paragraph." Sec. 612(10)(A)(V).

School districts are asked to complete the attached form for the period of time from July 1, 2007 to June 30, 2008:

- The total number of parentally placed private school children who were evaluated.
- The total number of parentally placed private school children determined to be a child with a disability.
- The total number of parentally placed private school children who were served by the district.

If a SAU contains more than one district, please submit a separate form for each district.

This completed form must be received at the Department of Education no later than August 1, 2008.

This document is available in alternative format upon request.
