Re: Entitlement for IDEA Fiscal Year 2009

Attached are the Part B Entitlements and Preschool Entitlements for each school district. These figures are the entitlements that should be used in the preparation of your request for federal special education funds. They are reflective of the formula that went into effect in Fiscal Year 2000 for IDEA and Fiscal Year 1997 as described by Code of Federal Regulation Part 300.705.
