RE: New Hampshire Special Education Information System (NHSEIS) Weekly Forum

The New Hampshire Department of Education (NHDOE), Bureau of Special Education will continue to hold weekly forums via conference call on the New Hampshire Special Education Information System (NHSEIS). The forums will be held on varying dates and times to accommodate districts; these forums will inform districts of changes, updates, and posted documents to the NHSEIS system.

Through the forums, districts will be able to communicate with the NHDOE and other districts on approaches and resolutions. The forums and the posted forum minutes will provide an effective avenue of communication; additionally, some of the outcomes will be reflected in information added to the "NHSEIS Training Manual for Data Input."

The NHDOE encourages District participation in the weekly forums. Please note the new Conference number and Conference ID number.
