From: Office of the Commissioner of Education

Re: Part B IDEA Special Education Entitlement Allocation Revised ~ Fiscal Year 2012

The Bureau of Special Education is providing this memo in regards to the Continuing Appropriation Act, 2012," which reduced across-the-board 1.503% to the amount available for the FFY 2011 "advance-funded" allocation of the programs administered by the U.S. Department, including the IDEA Grants to States October 1, 2011 grants.

The allocations identified in FY'12 Memo #6 were different than the allocations uploaded in the Grants Management System (GMS). The allocations uploaded in the GMS are correct. The attached revised allocations are in agreement with the GMS and are for district use.

If you need further clarification or have any questions, please contact Ralph Tilton, (603) 271-3839, ralph.tilton@doe.nh.gov.
