**PRE-HEARING ORDER**

A Pre-Hearing Conference was held on October 5, 2010. Present, representing the interest of the Student, were the Student's parents, [REDACTED], Present, representing the interest of the School Board, was Phillip Bell, the Superintendent. The Student also attended the Pre-Hearing Conference. Mr. Bell, on behalf of the School Board, indicating that the parents, who are residents of Litchfield, need to make their request for a Finding of Manifest Educational Hardship to the Litchfield School Board and that the request that was made to the Hudson School Board was not appropriate. The parents are in agreement and now understand that they need to make their request to the Litchfield School Board and that, in the event that the Litchfield School Board denies their request, they would have the right to take an Appeal. As such, the parties were in agreement that the matter could be dismissed without prejudice. In the event that the matter comes before the State Board of Education again, the undersigned Hearing Officer would be willing to be involved.
