

Healthier US School Webinar

We are ramping up for an informational webinar about the **HealthierUS School Challenge**. We would appreciate if you could forward the "save the date" information below to all persons who are interested in creating healthier school environments. Attendees should include northeast schools-administrators and food service staff, State agencies, nutrition consortiums, regional SNA groups, physical education staff, school nurses, hunger advocates, agriculture extension programs, etc. A formal invitation with registration information will follow later this week.

USDA Food and Nutrition Service invites you to attend a Healthier US School Webinar.

When: Wednesday, October 5, 2011

2:00 pm - 3:00 pm Eastern Time

Description: The webinar will explore the innovative ways in which schools have been implementing healthy meals, nutrition education, and physical activity into their school day. Special focus will be given to Healthier US School Challenge (HUSSC) and Fuel Up to Play 60 (FUTP60), two programs that can empower schools to achieve their health goals. Participants will learn about both programs' funding opportunities, resources, and successes in helping schools. The webinar will also feature guest speakers from the Northeast Region of the U.S. At the end of the webinar, there will be time for participants to ask questions, give comments, and share ideas.

Please save the date.

Webinar registration to follow.
