**Definition of a dropout:**

A 2003-2004 dropout is (1) any student who completed the 2002-2003 school year but did not return to school in September 2003 or (2) any student who dropped out during the 2003-2004 school year.

Not counted as dropouts are students who are: (1) home schooled, (2) suspended/temporarily expelled, (3) transfers, (4) truants, (5) incarcerated, (6) deceased or (7) home bound.

**Notes:**

(1) The Estimated Cumulative Rate represents an estimate of the percentage of current students who will drop out before reaching graduation. The annual rate is applied to a progressively declining base population to arrive at the cumulative rate. The formula is  $1 - (1 - \text{annual rate})^4$ .

(2) Nashua - 9th grade through 12th grade enrollments in all schools have been combined.
