CHARTER SCHOOLS PROGRAM ASSURANCES – STATE EDUCATIONAL AGENCIES

Pursuant to Section 5203(b)(3) of the ESEA and the Consolidated Appropriations Act, 2010, a State educational agency (SEA) application for a grant under the CSP must contain the following assurances.

As the duly authorized representative of the applicant, I certify to the following:

1) The applicant will require each eligible applicant desiring to receive a subgrant to submit an application to the SEA containing:

   A) A description of the educational program to be implemented by the proposed charter school, including (i) how the program will enable all students to meet challenging State student academic achievement standards; (ii) the grade levels or ages of children to be served; and (iii) the curriculum and instructional practices to be used;

   B) A description of how the charter school will be managed;

   C) A description of (i) the objectives of the charter school; and (ii) the methods by which the charter school will determine its progress toward achieving those objectives;

   D) A description of the administrative relationship between the charter school and the authorized public chartering agency;

   E) A description of how parents and other members of the community will be involved in the planning, program design and implementation of the charter school;

   F) A description of how the authorized public chartering agency will provide for continued operation of the school once the Federal grant has expired, if such agency determines that the school has met its objectives;

   G) A request and justification for waivers of any Federal statutory or regulatory provisions that the eligible applicant believes are necessary for the successful operation of the charter school, and a description of any State or local rules, generally applicable to public schools, that the applicant proposes to be waived, or otherwise not apply to the school;

   H) A description of how the subgrant funds will be used, including a description of how such funds will be used in conjunction with other Federal programs administered by the U.S. Secretary of Education;
I) A description of how students in the community will be (i) informed about the charter school; and (ii) given an equal opportunity to attend the charter school;

J) An assurance that the eligible applicant will annually provide the Secretary and the SEA such information as may be required to determine if the charter school is making satisfactory progress toward achieving the objectives described in subparagraph (C)(i);

K) An assurance that the applicant will cooperate with the Secretary and the SEA in evaluating the program assisted under this subpart;

L) A description of how a charter school that is considered a local educational agency under State law, or a local educational agency in which a charter school is located, will comply with sections 613(a)(5) and 613(e)(1)(B) of the Individuals with Disabilities Education Act;

M) If the eligible applicant desires to use subgrant funds for dissemination activities under section 5202(c)(2)(C), a description of those activities and how those activities will involve charter schools and other public schools, local educational agencies, developers, and potential developers; and

N) Such other information and assurances as the Secretary and SEA may require.

2) The applicant will –

A) Use the grant funds to award subgrants to one or more eligible applicants in the State to enable the applicant to plan and implement a charter school in accordance with this program; and

B) Use a peer review process to review applications for subgrants.

3) State law, regulations, or other policies in the State where the applicant is located require that –

A) Each authorized charter school in the State operate under a legally binding charter or performance contract between itself and the school’s authorized public chartering agency that describes the obligations and responsibilities of the school and the public chartering agency; conduct annual, timely, and independent audits of the school’s financial statements that are filed with the school’s authorized public chartering agency; and demonstrate improved student academic achievement; and

B) Authorized public chartering agencies use increases in student academic achievement for all groups of students described in section 1111(b)(2)(C)(v) of the ESEA as the most important factor when determining to renew or revoke a school’s charter.
