

## SSIP Phase I Changes for April 1, 2016 submission

- 1) Historical Data and Targets Page:
  - a. Reported Data Section: Updated Data provided for 2014
  - b. Target Section: Added "Phase I: In March 2015," to beginning of section
  - c. Overview: New section, blank
- 2) Data Analysis, Analysis of State Infrastructure, Measurable Results for Students with Disabilities Pages: No changes
- 3) Theory of Action page: new attachment. Added explanation to this section describing changes: "In Phase II of the SSIP the NHDOE, with feedback from stakeholders, made minor changes to the text of the Theory of Action. These changes provide more consistency of language, clarification of intent and strengthen alignment with the emerging evaluation plan."
