The Commissioner of Education has been notified by the Director of the Office of Special Education Programs (OSEP) of the U.S. Congress passage of the Continuing Appropriations Act, 2014 – P.L. 113-76. The Continuing Appropriation Act, 2014 made an across-the-board reduction of 0.0554 percent to the amount available for the FFY 2014 "advance-funded" allocation of the program's administered by the U.S. Department, including the IDEA Grants to States October 1, 2014 grants. As of this memo date, the changes have been made to the Grants Management System.

The State allocation to school districts was reduced by \$15,604.78 for the FY 2015. Attached is the IDEA Part B Special Education Entitlement allocation for each school district. These figures have been revised from the original allocation sent on May 28, 2014.
