RE: IDEA Part B Grants Allocation Revised – Fiscal Year 2016

In reviewing the FY 2015-2016 IDEA Part B Grant allocations, the New Hampshire Department of Education, Bureau of Special Education has discovered that the previous calculation method did not fully encumber the total allocation to the State. There was a difference of \$100,209.00 that needed to be reallocated to the districts.

The NHDOE has completed the reallocation calculation. Attached is the revised allocation for each district; the original allocation posted on May 18, 2015 plus any additional increase.

As the date of this memo, the changes have been made to the Grant Management System. The FY 2015-2016 grant amount needs to be allocated by September 30, 2017 and expended by November 30, 2017.
