RE: Services Plan for Parentally-Placed Private School Children with Disabilities in NHSEIS
– Additional Webinars

IDEA 2004 and the New Hampshire Rules for the Education of Children with Disabilities provide guidance to school districts on the provision of services for parentally-placed children with disabilities.

The Bureau of Special Education will be providing training webinars to review these topics:

What is a services plan? When must a services plan be developed? How are equitable services determined? What is required of the LEA in which the private school is located regarding parentally-placed children with disabilities? How is the services plan entered into NHSEIS?
