RE: Special Education Procedures Plan Resource Document

The Bureau of Special Education has developed a resource document as a template for districts to use in the development of the district Special Education Procedures. This document comes as a result of changes to the NH Rules for the Education of Children with Disabilities. The format of this document is fillable; allowing districts to customize their specific procedures. The Special Education Procedures Plan document may be accessed through the following link:

For questions regarding the use of this document please contact Elizabeth Carlotto: 271-4982 or Elizabeth.Carlotto@doe.nh.gov.
