RE: Guidance for the New Hampshire Special Education Information System (NHSEIS)  
and NHSEIS Training Manual

The New Hampshire Department of Education (NHDOE), Bureau of Special Education has developed an updated NHSEIS Training Manual. This manual provides an overview of the NHSEIS System, offers guidance and support for data entry and reporting, as well as includes hyperlinks to additional information that assist district understanding of areas in the special education process.

The NHSEIS Manual is updated regularly and available to all NHSEIS users on the NHDOE website: [https://www.education.nh.gov/instruction/special\\_ed/nhseis.htm](https://www.education.nh.gov/instruction/special_ed/nhseis.htm), and as an uploaded document on the main menu of all SAU NHSEIS sites, as well as through participation in NHSEIS trainings.
