Award Date

EXPLANATION OF BLOCKS ON THIS SUB-AWARD GRANT AWARD NOTIFICATION (GAN)

1. The Primary Award block identifies: the federal agency making the primary award; the Catalog of Federal Domestic Assistance (CFDA) subprogram title and associated subprogram number; the Federal Award Identification Number (FAIN), which typically changes each year; and the signature date on the initial grant primary award to NH Department of Education (NHDOE). As a pass-through agency, NHDOE is authorized to make and manage sub-awards.
2. Sub-Award Recipient: Legal name, physical address and DUNS number of the sub-recipient. For large entities, the organizational unit with primary responsibility for funded activity may be identified. For sub-awards to multiple New Hampshire local education agencies (LEAs), an attachment showing LEA name, DUNS, and sub-award amount may be used. DUNS shown have been provided by the sub-awardee. NHDOE is not responsible for the correctness of DUNS information.
3. Action Number: The cumulative number of steps (including this action) taken by NHDOE to date to establish or modify this sub-award. Action number "01" indicates an Initial (i.e. new) Award.
Action Type: The nature of the action (e.g. New Award, Continuation, Amount Modification, Performance Period Change, etc).
Date of this Action: Effective date of action.
4. Sub-Award Type: Most sub-awards are categorical formula grants. Other types include project grants (generally a one-time grant for a specific purpose), block grants (which allow greater spending discretion), and research and development (R&D) grants.
Project Description: A very brief description of the grant program. (NHDOE will use this description for FFATA reporting.)
5. Performance Period: Date ranges for expending grant funds and requesting reimbursement. Included are any other time-sensitive conditions such as carry-over options.
6. Contacts: The sub-recipient contact (identified by name or position) responsible for the grant administration. At least one NHDOE program contact is identified.
7. Sub-Award Amount: A sub-award may have subsequent modifications that increase or decrease the amount of an award. "Award of this Action" indicates the amount of this action. A dollar amount indicates an increase. "Decrease of \$xxx" or "(\$xxx)" indicates a reduction in the award. "None" indicates no change in the amount. Previous Cumulative and Current Cumulative amounts are used to reconcile any change. If awards for a list of LEAs are being modified, this block will show the total net increase/decrease and an attachment will show individual sub-recipient changes.
8. Laws, Regulations and Requirements: 2 CFR Part 200 applies to all federal awards. 34 CFR 76 applies to all USDE awards, although certain programs may be exempt from some sections. 34 CFR 200 applies to all ESEA/NCLB programs. Program specific requirements or 34 CFR 76 exemptions are listed. Web link to laws, regulations or guidance may be included. 2 CFR 175, award termination for trafficking in persons, applies to all sub-recipients except state agencies and school districts. Non-program specific regulations are at <http://www2.ed.gov/policy/fund/reg/edgarReg/edgar.html>
9. Maximum Allowed Indirect Cost Rate: Identifies rate type - restricted, unrestricted, temporary, or de minimus; and cognizant authority (usually a federal agency) that approved the rate. When the program prohibits supplanting of non-federal funds, a restricted indirect cost rate with a cap of 8% must be used. (See 34 CFR 76.560-580.) For restricted rate programs, the 10% de minimus rate option does not apply to state and local governments or their sub-recipients. Rates for LEAs and SAUs may be specified by reference to an attached list.
10. Terms and Conditions of Award – Requirements of the award that are binding upon the sub-recipient.

Signature of Authorizing Official – This sub-award is binding only when signed and dated by a State of New Hampshire official authorized by the federal government to award funds for this program.
