Request for Reasonable Accommodation

If you believe you may need an accommodation to fully participate in a particular proceeding or activity, you may request a reasonable accommodation.

For a party to request a reasonable accommodation, please complete the Request for Reasonable Accommodation Form and return to the Office of Legislation and Hearings with your request for a hearing or response to request for a hearing, with any and all supporting documentation regarding the need for an accommodation. If you need assistance completing this form, contact the Office of Legislation and Hearings at 271-2299 or StephenBerwick@doe.nh.gov.

Accommodation requests are granted to any person with a disability for whom such accommodation is reasonable and necessary under the Americans with Disabilities Act of 1990 (ADA), other similar local, state, and federal laws and in such other circumstance as may be required by law. A request will be granted unless:

- It is impossible for the Office of Legislation/Hearings to provide the requested accommodation on the date of the proceeding; and the proceeding cannot be continued without prejudice to a party to the proceeding.

- It is impractical for the Office of Legislation/Hearings to provide the requested accommodation on the date of the proceeding; and the proceeding cannot be continued without prejudice to a party to the proceeding.

  or

- Given the nature of the request, supporting documentation is not provided regarding the need for the accommodation.

You may be required to provide additional information for [the Office of Legislation/Hearings] to properly evaluate your reasonable accommodation request. Medical and other health information submitted with the form shall not be made public or shared with anyone outside the department, except the Hearing Officer, unless authorized by law.

Generally, five days advance notice is required to review reasonable accommodation requests. However, a response to an immediate need for accommodation will be considered to the fullest extent possible.

For Deaf and Hard of Hearing participants, please be advised that to increase the possibility of securing an appropriate interpreter in your locale, requests for interpreting services should be made AT LEAST SEVEN TO TEN WORKING DAYS prior to the scheduled appointment whenever possible. Requests made with less time will be accepted with the understanding that last minute requests may be very difficult to fill.
