Footnote 1: Life-Safety project costs capped at \$1,000,000 per project per school. The awards for the Improve Security projects that were recommended on 3/19/2018 and 4/2/2018 were capped award at \$100,000.

Footnote 2: Award rate equals 10% of the eligible costs for E-rate projects, 80% of the eligible costs for Improved Security projects, and the Building Aid rate times the eligible costs for Life-Safety projects.

Footnote 3: Application Status categories

Approved: The project has been recommended by the Commission and approved by the Governor, the fiscal committee, and the executive council.

Recommended by the Commission: The Commission has reviewed the application and believes the project meets RSA 198:15-y III. Projects is pending approval by the Governor, the fiscal committee, and executive council.

Recommended by the Commission - Award Amendment: The Commission is recommending an amendment to the already approved award. Amendment in pending approval by the fiscal committee and executive council.

Not approved: The Commission has reviewed the application and believes that the project does not meet the RSA 198:15-y III.

Not voted on: The Commission has reviewed these projects but has not taken a vote on them.

Waitlist: No funds are currently available. If funds become available, the Commission will reconsider projects on the waitlist.

Duplicate request: The applicant submitted two requests for the same project. Award will be limited to one approval.
