Building Aid Award Rate for FY 20 projects
 Last revised September 26, 2018

Per RSA 198:15 - v III, the building aid award rate for a cooperative school district, receiving district operating an area school, or joint maintenance agreement shall be determined by weighting the percentage of the average daily membership in residence (ADM-R) represented by each municipality which has entered into the agreement with each municipality's building aid award rate (shown on previous page).

Using the 2016-2017 ADM-R, the following building aid award rates were calculated:

District	Building Aid Award Rate
