AdvancED presentation and discussion (vote required) - Mark Elgart, President/CEO of AdvancED

Mark Elgart (recorded session), provided a summary of his career history; introduced his guests, Ken Bergman and Mary Ann Keely;
Gave presentation of AdvancED. He thought the Council may have a misinterpretation of systems model. He spoke about differences throughout country. AdvancED site visits are completed by volunteers onsite. Individual site visits would be done in New Hampshire according to state requirements. Private schools must be opened for at least 2 years before being accredited through AdvancED.

Spoke of relationship with New England Association of Schools and Colleges (NEASC) and why they severed alliance with them. He stated that one member on the Nonpublic School Advisory Committee has a professional conflict. AdvancED will do individual site visits, systems model will not be available for the state of NH.

Several questions were asked and answered. Most concerned the process for visiting schools, criteria for volunteers, fees, and the requirement of ED405.01, and inability of NSAC to override a rule of the Board.
The three guests from AdvancED left after final remarks.

Discussion ensued and a motion was made by David Parker to not recommend approval of AdvancED based on administrative rule 405.1 C-2
Seconded by Rick Johnson

After discussion an amendment to the motion was made and a vote was taken. David Parker amended his motion based on ED 405.01c- 405.01-d, not to recommend AdvancED as an accrediting agency.
