Re: Disproportionate Bullying of Students with Disabilities

The New Hampshire Department of Education (NHDOE), Bureau of Special Education and Office of Legislation and Hearings, is providing the attached letter and guidance document made available from the U.S. Department of Special Education and Rehabilitative Services (OSERS) regarding the disproportionate bullying of students with disabilities. The NHDOE hopes that this will assist New Hampshire school districts with addressing bullying in their schools, and in particular the bullying of students with disabilities.

If you have any questions regarding school district response to bullying matters, please contact Stephen Berwick, *Coordinator: Dispute Resolution and Constituent Complaints* at (603) 271-2299.
