RE: Part B IDEA, CFDA# 84.027 and Preschool, CFDA# 84.173
Special Education Allocations Fiscal Year 2018

Attached are the IDEA (Part B, Section 611 and Preschool, Section 619, Special Education) Allocations for each school district. These figures are the allocated amounts that should be used in the preparation of your request for federal special education funds. They are reflective of the formula that went into effect in Fiscal Year 1999 for IDEA Part B as described by Code of Federal Regulation Part 300.705.

The Bureau of Special Education is responsible to verify and confirm that the LEAs are in compliance with all Code of Federal Regulation 300, including Assurances. In the event that an LEA is not in compliance, the Bureau may delay any payment or payments until such time as the non-compliance has been resolved.

Districts can begin their grant applications as of the date of this memo to ensure a July 1, 2017 start date.
