RE: NHSEIS Enhancement to the Financial Summary

The New Hampshire Department of Education (NHDOE), Bureau of Special Education has developed a new feature within the Financial Summary section in NHSEIS. This feature allows districts to edit an invoice entered in NHSEIS for either Special Education Aid (SPED AID) or Court Ordered Placement (Chapter 402). Previously, users had to enter the entire invoice rather than making an edit within one item.

The districts can edit the invoice number, invoice date, payment date, vendor, settings, begin date, end date, units, unit price and attendance certified check box. The Bureau of Special Education continually strives to make improvements to the NHSEIS system.
