RE: New Features - NHSEIS (New Hampshire Special Education Information System)

The New Hampshire Department of Education (NHDOE), Bureau of Special Education has enhanced NHSEIS with new features and updates supporting the IEP process. Attached is a document with additional details regarding the changes, including screen shots and directions as appropriate. The development of new features and updates to current areas of NHSEIS includes input from groups that use NHSEIS, such as the NHSEIS Stakeholder group.

The new features will be available to the districts on or after September 6, 2018, shortly after the August 10th version 12.12 software release. The new features include the following improvements:

- o Meeting Invitation Letter (Refer to FY'19 Memo #6)
- o IEP Footer (identifies creation date of IEP)
- o IEP Signature Page (Parent Response Page, Refer to FY'19 Memo #6)
- o Special Factors changes (Refer to FY'19 Memo #8)
- o Removal of the ISP from the IEP, as NHSEIS has a separate SP process
- o NHSAS – New Hampshire State Assessment System (NHSAS) and Accommodations (Refer to FY'19 Memo #7)
- o Special Education Services changes – Specially Designed Instruction (Refer to FY'18 Memo #35)
