The State Advisory Committee's responsibilities include the following (excerpts from RSA 186-C:3-b):

- **Purpose:** to advise the commissioner of education on issues relating to special education, and to promote communication and cooperation among individuals involved with students with disabilities. In addition, the committee shall review the federal financial participation and the level of state funding to determine their impact on the programs and delivery of services to children/students with disabilities.
- Advise the New Hampshire Department of Education regarding unmet needs within the state related to the education of children/students with disabilities.
- Comment publicly on the state plan and rules and regulations proposed for issuance by the state regarding the education of children with disabilities.
- Assist the state in developing and reporting such information and evaluations as may assist the US Secretary of Education in the performance of responsibilities under Section 618 of the Individuals with Disabilities Act.
- Advise the Department of Education in developing corrective action plans to address findings identified in federal monitoring reports.
- Advise the Department of Education in developing and implementing policies relating to the coordination of services for children/students with disabilities.
- Provide an annual report to the Governor and the State Legislature on the status of education of children with disabilities in New Hampshire.

Additionally, in accordance with §300.514 of IDEA, findings and decisions of due process hearings are to be transmitted to the SAC, after any personally identifiable information has been deleted.
