General Instructions

Complete both Part I and Part II and send to the Title III Office via email to Aaron.Hughes@doe.nh.gov by March 26, 2020.

Part I Rationale (1/2 page)

Describe the district's need for Title III funds for immigrant children and youth.

1. Has the district had prior experience with serving immigrant children and youth? (Briefly summarize)
2. Has the district observed any challenges in providing educational and community-based services for families of immigrant children and youth?

Part II Educational Plan (1-2 pages)

Explain the program design. Please include information about the participants, descriptions of instructional activities, materials, location of services, staff roles and hours, program duration, and collaboration with community-based service providers and other stakeholders. (See Appendix: Examples of activities.)

1. How does the LEA plan to meet the specific educational, cultural and/or linguistic needs of immigrant children and their families?
2. How will the LEA measure the success of its program?
