MEMORANDUM

TO: Superintendents and Charter School Leaders
FROM: Title III Office
SUBJECT: Title III Preliminary Allocations 2020-2021
DATE: March 6, 2020 (Revised 5/4/20)

The NH DOE is inviting Local Education Agencies (LEAs) to apply for the **ESSA Title III: Language Instruction for English Learners and Immigrant Students** sub-grants for 2020-2021.

The State Education Agency's preliminary allocation is \$1,073,714, and Local Education Agencies (LEAs) are eligible to receive sub-grants based on the number of enrolled English Language Learners.

The **2020-2021 Preliminary Allocations** report for LEAs is attached and will be posted on the **NH DOE Title III [webpage](#)**. An LEA may apply as a single entity if its Preliminary Allocation is \$10,000 or greater, or it may form a consortium with other LEAs, as long as the collective enrollment of English Language Learners qualifies the consortium for a grant of \$10,000 or greater. In a consortium, one LEA must fulfill the role of Fiscal Agent, and all LEAs in the consortium are required to meet ESSA Title III Program Assurances as well as the NH DOE's sub-grantee requirements.

If you have any questions regarding the NH DOE's Title III program or the application process, please do not hesitate to contact the Title III Office.

Sincerely,
[Aaron R. Hughes](#)
