 (A12E) General Fall Report District Level Home Schooled Count

Data Collection Location: Complete this data collection through the Education Statistics System (ESSP) in the MyNHDOE Single Sign-On System.

Instructions: Please report the number of notifications received from families establishing a home education program from October 2, 2023, through October 1, 2024. Districts should not include students who participated in a home education program and were reported in the prior year.

Due Date: October 31, 2024

Certified: No – data collection does not need to be certified.

Ed 315.05 Duties of Participating Agencies. Resident district superintendents or nonpublic school principals as participating agencies shall maintain a list of all home education programs for which they have received notification. This list shall contain the name, date of birth and address of each child for whom a home education program is established. On October 1 of each year, the participating agency shall notify the commissioner of the number of children for whom programs were established.
