Teacher Salary Schedule

TEACHER SALARY SCHEDULE DATA COLLECTION

Data Collection Location: Complete this data collection through the Education Statistics System (ESS) in the MyNHDOE Single Sign-On System.

Instructions: Using the categories in the form, please enter the district's salary schedule by reporting the Minimum, Maximum, and Steps for these categories. If categories do not match your schedule exactly, please use your judgment to report the schedule as closely as possible. At a minimum, please enter data for the categories that do fit exactly (Bachelor's, Master's, etc.).

Due Date: April 29, 2022

Certified: Yes – General user can certify the collection.

Use the check boxes to report the appropriate status of the schedule for next year, 2022-2023. When the data is complete, please certify on the "Form Home" page.

PLEASE NOTE: A "General User" in myNHDOE may certify this report.

You **no longer have to send in a signed copy** of this data collection to the Department of Education.

Please email ESS Helpdesk if your district(s) cannot comply with the due date, or if you have any questions on completing the survey.
