What's New:

Beginning with 2009-2010 the Department will produce a cohort graduation and dropout rate . The cohort dropout rate is based on the New England Secondary School Consortium (NESSC) definition. Students are assigned to cohorts based on when they first enter grade 9. Once a student is assigned to a cohort year the student's cohort never changes. The cohort is adjusted by students transferring in and transferring out. The cohort dropout rate measures the percentage of students who dropped out over a four year period. Students that dropped out of school and are enrolled in college are included in the Dropped Out(b) count and NESSC Dropouts only rate. The cohort year used for this report is the class of 2010.

Footnotes:

	Class of 2010 Cohort (1)	Graduation		Dropouts (3)				NESSC Dropouts Only Rate
		Graduated (2)	Graduation Rate	Earned GED (a)	Dropped Out (b)	Total		
State Total	16,773	14,407	85.89%	305	745	1,050		4.44%

(1) **Class of 2010 Cohort Count:** The number of students who were in the Class of 2010 between the years of 2006-2010. Students are assigned to cohorts based on when they first enter grades 9. Once a student is assigned to a particular cohort year the student's cohort never changes. The cohort is adjusted by students transferring in and transferring out. The following counts are based upon the set of students identified in the cohort count.

(2) **Graduated:** The number of students who graduated in four years with a regular high school diploma or an adult high school diploma

(3) **Dropouts:** All students who exited high school during the 06-07 to 09-10 school year without a standard, non-standard, other high school diploma, Adult Education Diploma or are not still enrolled in high school are "Early Exiters". Early Exiters can be divided into sub-categories (currently 2). They are Earned GED and Dropped Out.

(a) **Earned GED:** These are students that exited high school during the 06-07 through 09-10 school year but subsequently received a GED certificate from the State of NH as a result of testing at one of the 21 NH GED testing centers. Only students that voluntarily granted access to their high school transcripts have been counted on this high school report.

(b) **Dropped Out: T**hese are students that exited high school during the 06-07 through 09-10 school year but did not graduate (with a standard, non-standard, other high school diploma, Adult Education Diploma), or are not still enrolled in high school and did not receive a GED.

Graduation Rate: Graduation count divided by the cohort count.
Dropouts Only Rate: Total Dropouts divided by the cohort count.
