Footnotes:

(1) **Class of 2013 Cohort Count:** The number of students who were in the Class of 2013 between the years of 2009-2013. Students are assigned to cohorts based on when they first enter grade 9. Once a student is assigned to a particular cohort year the student's cohort never changes. The cohort is adjusted by students transferring in and transferring out. The following counts are based upon the set of students identified in the cohort count.

(2) **Graduated:** The number of students who graduated in four years with a regular high school diploma or an adult high school diploma

(3) **Dropouts:** All students who exited high school during the 09-10 to 12-13 school year without a standard, non-standard, other high school diploma, Adult Education Diploma or are not still enrolled in high school as of October 1, 2013 are "Early Exiters". Early Exiters can be divided into sub-categories (currently 2). They are Earned GED and Dropped Out.

(a) **Earned GED:** These are students that exited high school during the 09-10 through 12-13 school year but subsequently received a GED certificate from the State of NH as a result of testing at one of the 21 NH GED testing centers. Only students that voluntarily granted access to their high school transcripts have been counted on this high school report.

(b) **Dropped Out:** These are students that exited high school during the 09-10 through 12-13 school year but did not graduate (with a standard, non-standard, other high school diploma, Adult Education Diploma), are not still enrolled in high school as of October 1, 2013 and did not receive a GED.
