(1) Class of 2018 Cohort Count: The number of students who were in the Class of 2018 between the years of 2014-2018. Students are assigned to cohorts based on when they first enter grade 9. Once a student is assigned to a particular cohort year the student's cohort never changes. The cohort is adjusted by students transferring in and transferring out. The following counts are based upon the set of students identified in the cohort count. This is a 4 year cohort.

(2) Graduated: The number of students who graduated in four years with a regular high school diploma or an adult high school diploma.

(3) Dropouts: All students who exited high school during the 14-15 to 17-18 school year without a standard, non-standard, other high school diploma, Adult Education Diploma or are not still enrolled in high school as of October 1, 2018 are "Early Exiters". Early Exiters can be divided into sub-categories (currently 2). They are Earned HiSET (high school equivalency certificate) and Dropped Out.

a) Earned HiSET: These are students that exited high school during the 14-15 through 17-18 school year but subsequently received a high school equivalency certificate from the State of NH. Only students that voluntarily granted access to their high school transcripts have been counted on this report.

b) Dropped Out: These are students that exited high school during the 14-15 through 17-18 school year but did not graduate (with a standard, non-standard, other high school diploma, Adult Education Diploma), are not still enrolled in high school as of October 1, 2018 and did not receive a high school equivalency certificate.

Graduation Rate: Graduation count divided by the cohort count.

NESSC Dropouts Only Rate: Dropped Out divided by the cohort count.
