

## Indication of Participation in Equitable Services

The LEA must consult with each private school about all federal programs listed in the chart below. For Title I, Part A – each designated private school (either for profit or non-profit) is to complete and return this form to the LEA. Any private school that has students from other LEAs and wants to participate in Title programming for these students should contact all LEAs involved.

| Program   | Participating | Not participating |
|---|---------------|-------------------|
| <b>Title I, Part A<br/>(Improving Basic Programs Operated by LEAs)</b>                                  |               |                   |
| <b>Title I, Part C<br/>(Education of Migratory Children)</b>  |               |                   |
| <b>Title II, Part A<br/>(Supporting Effective Instruction state grants)</b>                             |               |                   |
| <b>Title III<br/>(English Language Acquisition, Language Enhancement, and Academic Achievement Act)</b> |               |                   |
| <b>Title IV, Part A<br/>(Student Support and Academic Enrichment Grants)</b>                            |               |                   |

**Private School Identified for Equitable services:**

**\*LEA must duplicate this form for each of its private schools**

|                      |             |
