CHAPTER Ed 800 EDUCATION FREEDOM ACCOUNTS PROGRAM

PART Ed 801 PURPOSE AND SCOPE

Ed 801.01 Purpose. *The purpose of these rules is to ensure uniform application of RSA 194-F in the establishment and administration of the education freedom accounts (EFA) program.*

Ed 801.02 Scope. *Ed 800 shall apply to the scholarship organization, education service providers, and eligible participating students and parents to allow the scholarship organization to provide the option for a parent or guardian to better meet the individual educational needs of his or her eligible student by establishing an education freedom account, for the funding of qualifying education expenses provided by education service providers.*

PART Ed 802 DEFINITIONS

Edit. “(EFA)”

Ed 802.01 Definitions.

Unclear/Edit. “Adequate education” is defined in RSA 194-F:1, I and needs to be inserted since the rules use the term twice.

(a) **“Board”** means the New Hampshire state board of education;

(b) **“Commissioner”** means the commissioner of the department of education;

(c) **“Curriculum”** means “curriculum” as defined in RSA 194-F:1, II;

(d) **“Days”** means calendar days;

(e) **“Department”** means “department” as defined in RSA 194-F:1, III;

(f) **“Differentiated aid”** means the differentiated aid categories enumerated in RSA 198:40-a, II, (b) - (e);

Unclear. Don’t use the term to define the term.

(g) **“Education freedom account (EFA)”** means “education freedom account (EFA) as defined in RSA 194-F:1, IV;

(h) **“Education service provider”** means “education service provider” as defined in RSA 194-F:1, V;

Edit. For (a)-(p) delete and replace the semicolons with periods because there is no lead in.

Edit. Insert quotation marks after “account” and delete “(EFA)”

- (i) *“EFA program” means “program” as defined in RSA 194-F:1, XI;*
- (j) *“Eligible student” means “eligible student” as defined in RSA 194-F:1, VI;*
- (k) *“EFA student” means “EFA student” as defined in RSA 194-F:1, VII;*
- (l) *“Full time” means “full time” as defined in RSA 194-F:1, VIII;*
- (m) *“Intentional and substantial” means knowingly and willfully for any amount of funds;*
- (n) *“Parent” means “parent” as defined in RSA 194-F:1, X;*
- (o) *“Remote or hybrid” means “remote or hybrid” as defined in RSA 194-F:1, IX;*
- (p) *“Scholarship organization” means “scholarship organization” as defined in RSA 194-F:1, XII; and*
- (q) *“State fiscal year” shall mean the period from July 1 to June 30 of every calendar year.*

Unclear. It is unclear how “substantial,” when referring to funds, can mean “knowingly” and/or “willfully.” It seems that “substantial,” when used regarding misuse of funds, means a specific dollar amount or a percentage of the funds.

PART Ed 803 PROGRAM ADMINISTRATION

Edit. Insert “organization under this program:”

Ed 803.01 Scholarship Organizations. *In addition to the requirements under RSA 194-F:4, the following shall apply to the authority and responsibilities of the scholarship organization:*

- (a) *The scholarship organization shall have been approved pursuant to RSA 77-G:5, II(a) by the department of revenue administration as a scholarship organization;*
- (b) *The scholarship organization shall provide access to all types of qualifying educational expenses enumerated in RSA 194-F:2, II(a-o);*
- (c) *Failure by a scholarship organization to provide access to every qualifying expense described in RSA 194-F:2, II(a-o) shall disqualify a scholarship organization from participation in the program;*
- (d) *The scholarship organizations shall electronically file with the department completed student data at least 30 days prior to the funding date, as described in Table 804-1. Failure to meet the application deadline shall result in delayed or unavailable funding if such failure prevents the department from processing the payment;*
- (e) *The scholarship organization shall verify, at a minimum, that completed applications meet the following:*

Unclear/Legis. Intent. RSA 194-F appears to contemplate one scholarship organization. It looks as if the “s” here was meant to be deleted. See also the next page.

- (1) *The eligible student meets all eligibility criteria as described in RSA 194-F:1, IV;*
- (2) *The EFA application was verified complete only after signature by the parent or guardian, and the student, if the student is in a secondary education program; and*
- (3) *The student, parent, guardian, or both have not been disqualified from participation in the program due to funds misuse or are otherwise not eligible pursuant to RSA 194-F:1, VI;*

Edit. Avoid 2 requirements in a single intro clause. See §2.1 of Ch. 4 of the *Manual*. Say “including each student’s”.

Edit. “each”

(f) The scholarship organizations shall submit to the department a roster of approved EFA students which shall include the student’s:

- (1) Information on the student’s school of attendance, if applicable;**
- (2) Eligibility information;**
- (3) Qualifying differentiated aid eligibility;**
- (4) Whether the student is a current or new participant in program;**

Unclear/Legis. Intent. RSA 194-F does not address the protection of personal and confidential student information, either health care data or other data. It is not clear how the protections of HIPAA and FERPA apply to the organization. Also, it is unclear if there are uniform standards and whether scholarship organizations would understand what is required in practice.

Edit. These do not do not follow from the lead-in language.

- (5) The amount of EFA funds received for each student and the amount of EFA funds remaining in each student’s account; and**
- (6) Total EFA funds requested;**

(g) Scholarship organizations shall have access to confidential student information including the state assigned student identification (SASID) under the following conditions:

- (1) Scholarship organizations shall implement all customary commercial data security procedures and protocols to protect such information; and**
- (2) The scholarship organizations shall verify a student SASID number for any student applying for an EFA prior to requesting a new SASID.**

Unclear. It is unclear whether the intent was to delete the “s” or not.

(h) The scholarship organizations shall make EFA student account balances readily accessible, through a technology interface with real-time or near real time balance information, transaction history, including transaction date, amount deposited or withdrawn, and the name of the education service provider;

Edit. Delete extra space.

(i) The scholarship organization’s director shall appoint members to the parent and education service provider advisory commission pursuant to RSA 194-F:5 and which shall be responsible for appeals of education service provider denials and other educational expenses approved by the scholarship organizations pursuant to 194-F:2 (II)(o);

Edit. “and denials of other educational expenses requested pursuant to RSA 194-F:2 (II)(o);”

(j) The scholarship organizations shall contract with an unaffiliated auditor to conduct a risk-based audit of EFA accounts on, at a minimum, an annual basis. The scholarship organization shall submit a copy of such plan and all associated audit reports to the department;

(k) The department shall receive copies of all subcontracts and assignment agreements and the department shall not be bound by any provisions contained in a subcontract or an assignment agreement to which the department is not a party;

(l) The scholarship organizations shall withhold from deposits or deduct throughout the year from EFAs an amount to cover the cost of administering the EFA program, up to a maximum total of 10% annually. All remaining funds shall be available to eligible students for allowable uses; and

(m) The scholarship organization shall develop a records retention policy.

Edit. “shall develop and implement”

Unclear. The EFA funds are distributed to the EFA students’ accounts four times per year. Is the amount taken by the S.O. also spread out over the 4 deposit periods, or can the S.O. take it’s 10% right at the start, thus leaving the student only 10% for the first few months?

Ed 803.02 Education Service Providers. In addition to the requirements under RSA 194-F:4 and RSA 194-F:6-7, the following shall apply to education service providers:

(a) The scholarship organizations shall publish on its website a standard application form, and procedures for review and approval of education service providers including, but not limited to procedures used by education service providers to ensure background check of employees who have direct contact with students;

Edit.
Delete.

Authority/Legis. Intent/Unclear. RSA 194-F does not grant the scholarship organization the ability to require criminal background checks. The rule appears to not actually require criminal background checks, just notification of their procedures. But it is not clear what the intention is.

(b) Online and paper applications for education service providers shall be accepted by the scholarship organization for review on a rolling basis throughout the year;

(c) The EFA program shall utilize a wide variety of curricular materials to meet the educational needs of the students. Parents and guardians shall choose textbook, curriculum, and instructional material for their EFA students;

Unclear. The cited statute requires parents to agree to use EFA funds for textbooks, curriculum, etc. It does not require the S.O. to determine whether particular materials qualify.

Unclear/Edit. Unclear how this works in practice. It is unclear what will happen if the parent/guardian wants instruction that is not included in the EFA program or offered by the institution. Could this result in an education service provider having to use different curriculums and textbooks for each student? How does this work if the EFA student is enrolled in another district's public school? This may conflict with RSA 194-F:7, I and statutes regulating public schools.

(d) The scholarship organization shall determine only whether curricular materials selected by parents and guardians are qualifying materials pursuant to RSA 194-F:2, II(e) and whether the materials fall within the core knowledge domains described in RSA 194-F:3, III(d)(1);

(e) Education service providers shall not refund, rebate, or share EFA funds directly with parents or guardians. EFA funds shall only be returned to an eligible student's EFA account. Nothing in these rules shall prohibit education service providers from refunding, rebating, or sharing parent, guardian, and eligible student personal funds used as described in RSA 194-F:2,V;

Unclear/Legis. Intent. RSA 194-F:2, IV specifically requires that EFA funds shall not be refunded, rebated, or shared with a parent or EFA student in any manner, and refunds must go directly into the EFA account. The statute prohibits the use of personal funds for EFA covered services so, it's not clear what is intended. For example. RSA 194-F:2, V says parents may pay for costs and services not covered by the program, but it specifically prohibits personal deposits into an EFA account. It is not clear what the intent is with the language.

(f) A list of all approved education service providers shall be posted on the scholarship organization's websites, reported to the department, and made easily accessible to the public to include education service provider name, eligible services, fee amounts received for services, and number of EFA students served;

(g) A directory of all education service providers approved by the scholarship organization shall be available on the department's website; and

(h) Approval by the scholarship organization of an education service provider shall serve as statewide approval of such provider for purposes of the program.

Ed 803.03 Responsibilities of Public Schools and School Districts.

(a) The public school or public school district in which an eligible student was most recently enrolled shall provide to the parent the-child's state assigned student identification (SASID) as required under RSA 193-E:5.

Unclear. As drafted, a parent might believe (based on the rule alone) that the school or district supplies the SASID routinely. By statute, it is only provided upon request.

Edit. Lower case.

Unclear what is intended, generally. As drafted, it implies the private schools are at the LEAs. What occurs if there are no private schools in a district?

Edit. "shall"

(b) Local education agencies (LEAs), where private elementary schools and secondary schools are located, must ensure that children with disabilities, placed by their parents in private, non-profit schools participating in State-funded EFA programs, are included in the group of parentally-placed private school children with disabilities who are eligible for equitable services, including special education and related services from the LEA where private schools are located.

Edit. Delete extra space.

Edit. "shall be"

PART Ed 804 EFA FUNDS AND DISBURSEMENTk

See note on page 7.

Ed 804.01 Funds; Generally. In addition to the requirements under RSA 194-F:2, I and RSA 194-F:4, VIII the following shall apply to EFA funds:

(a) Pursuant to RSA 194-F:2, EFAs shall be equivalent to the per pupil adequate education grant amount under RSA 198:40-a, plus any differentiated aid that would have been provided to a public school for that eligible student;

Unclear. There's nothing about grants in the cited rule.

(b) Fund transfers shall be made to the scholarship organization in accordance with the distribution of adequate education grants under RSA 198:42 and Ed 803.03; and

(c) A pupil with a disabling condition, as listed in 34 CFR 300.8, shall be considered a pupil with a qualifying disability for the purposes of eligibility for differentiated aid for EFAs under RSA 194-F.

Unclear/Legis. Intent. This conflicts with the cited CFR. While the CFR lists disabling conditions, it says that to be a "child with a disability" the child must: (1) Be evaluated pursuant to 34 CFR 300.304 through 300.311 as having a disabling condition; and (2) Be determined, because of the disabling condition, to need special education and related services. Further, the CFR states that even if the child is determined to have a disability, if the child only needs related services, and not special education, then the child is not a "child with a disability under 34 CFR 300.

(d) Evidence of a disabling condition, for the purposes of differentiated aid in (c) above, shall be provided by:

Unclear/Legis. Intent. Even if a disability is determined under (c) and (d), this does not automatically trigger eligibility for differentiated aid. RSA 198:40-a, II(d) says differentiated aid is only available if the child is already receiving special ed.

(1) A determination of eligibility for special education, by an IEP team, in accordance with 34 CFR 300.300-300.311; or

Unclear. A determination of what?

(2) A determination by a medical professional licensed to practice in any state in the United States.

Edit. "shall not be considered."

(e) A pupil with a disabling condition, as determined by a medical professional licensed in any state in the United States in accordance with Ed 804.01(d)(2), is not considered a child with a disability, through an appropriate evaluation, in accordance with 34 CFR 300.304-300.311 and as such, does not qualify for the equitable services funds pursuant to 34 CFR 300.138.

Unclear. Except for the portion regarding determination by a medical professional, this would be a correct statement of law, but it appears to conflict with the rest of the section.

Ed 804.02 Qualifying EFA Expenses. The following shall apply to qualifying EFA expenses enumerated in RSA 194-F:2, II:

(a) Internet connectivity shall not include any additional cost for media streaming or cable media options that are not part of an online learning program or online instructional materials;

(b) Internet and technology purchased with EFA funds shall be primarily used, meaning 51% of the time or more, to help meet the EFA student's education needs;

(c) Computer hardware shall be limited to a single computer device per student every 3 years, unless otherwise approved by the scholarship organization, in accordance with the scholarship

Unclear/Legis. Intent. This rule is impermissibly vague by not defining "medical professional". This might allow, for example, an ER nurse with no education or training in disabilities and special education to make a determination. and, more importantly, it conflicts with state law and federal regulations. For example, 34 CFR 300 makes no provision for a determination by a medical professional. Also, see comments to (c) and (d) above.

organization’s approval process, as a necessary educational resource including assistive devices and accessible educational hardware and materials; and

(d) The scholarship organization shall publish on its website a policy for pre-approval of qualifying educational expenses consistent with RSA 194-F:2, II(o) and this section.

Ed 804.03 EFA Disbursement. In addition to the requirements under RSA 194-F:4, VIII, the following shall apply to EFA disbursement:

Edit. This could apparently be replaced by “and.”

(a) Beginning in state fiscal year 2023 and every year after, funding shall be disbursed 4-times per state fiscal year, in accordance with RSA 198:40-a in accordance with the EFA disbursement schedule in Table 804-2 below:

Edit. Extend the underline under the Table number. Also, as the first table in Ed 804, this should be “Table 804-1.”
