INSTRUCTIONS

- ① Complete facility name, today's date, and number of pages.
- ② Insert the days of the week and corresponding dates chosen for the five-day reconciliation.
- ③ Insert each child's name selected from the random sample.
- ④ Record the meal types claimed for each child from the Meal Participation Records for the five-day reconciliation period.
- ⑤ Check if each child was in attendance for those five days. (Homeless shelters use intake records.) List from attendance records the child's time in and time out. This would include if the child left and came back from school.
- ⑥ Using each child's enrollment form (skip this section if homeless shelters), compare the days, the meals, and the times the parent indicated the child should participate against their Meal Participation Records to see if they match for the five-day reconciliation.
