

# American Rescue Plan Elementary and Secondary School Emergency Relief Fund

Authorized by the American Rescue Plan Act of 2021, Public Law 117-2

## Methodology for Calculating Allocations

Section 2001 of the American Rescue Plan (ARP) of 2021 requires the Department of Education (Department) to allocate \$121,974,800,000 in awards to State educational agencies (SEAs) through the Elementary and Secondary School Emergency Relief Fund (ESSER Fund).

Section 2001(c) of the ARP requires the Department to determine ARP ESSER Fund allocations based on the proportion that each State received under Title I, Part A of the Elementary and Secondary Education Act (ESEA) in the most recent fiscal year. However, section 1122(c)(3) of the ESEA prohibits the Department from considering the Title I, Part A hold harmless provisions in ESEA section 1122 in calculating State or local allocations for any other program administered by the Secretary, including the ARP ESSER Fund. Therefore, to determine the ARP ESSER Fund allocations, the Department used the fiscal year 2020 State shares of Title I, Part A allocations without the application of the hold harmless provisions in ESEA section 1122.
