Posted on April 28, 2023

Section	Submitted Question	State Response
Section 3, page 19	If we apply to perform a portion of the required activities, do we still need to have met the minimum requirements (e.g., 3 years of demonstrated effectiveness)?	Proposals must meet the minimum requirements as stated in the RFP.
Section 3, page 19	Is there a minimum number of bidders required in order for the contract to be awarded? For example, what if there is only one applicant for this contract?	No. If there is one applicant who is determined an eligible provider, meets the minimum requirements and achieves a minimum evaluation score, the State will continue with the contracting process.
