

**LEA ARP ESSER Plan: "A Plan for the LEA's Use of ARP ESSER funds"**

The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides nearly \$122 billion to States to support the Nation's schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This template is intended to collect all federally-required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, within 90 days of receiving ARP ESSER LEA allocation (90% of New Hampshire's total allocation), an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan."

For further context, please reference ARPA (<https://www.congress.gov/bill/117th-congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

**IV. Supporting the Continuous and Safe Operation of In-Person Learning**

1. The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:  
(Note federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.)

Description during SY21-22: We have improved our HVAC with SPSRF funding and will use these funds to improve our heating system as well as our windows to keep in the heat.

**V. Addressing the Academic Impact of Lost Instructional Time (20 percent of an LEA's Allocation)**

1. How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
  - a. Students who did not consistently participate in remote instruction when offered during school building closures;
  - b. Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
  - c. Students most at-risk of dropping out of school.

Description during SY21-22: Classroom and individual assessments will be used determine students identified by classroom teachers, paraprofessionals and Child Study Team members

2. How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act (totaling not less than 20 percent of the LEA's total allocation of ARP ESSER funds) to address the academic impact of lost instructional time for such students through the implementation of evidence-based interventions as defined by ESSA (<https://ies.ed.gov/ncee/wwc/essa>), such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year:

Description during SY21-22: We plan to increase the art teacher to fulltime which gives more students a different place to be successful. In addition there are plans for highly qualified paras, additional summer school options and

Description during SY22-23: Summer School opportunities as well as possible tutoring during the school year.

Description during SY23-24: Summer School opportunities as well as possible tutoring during the school year.

3. How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:
  - a. Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please check one):  
 Yes:       Somewhat:       No:

Description: Still being worked on.

- b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please check one):  
 Yes:       Somewhat:       No:

Description: Details still being worked on.

4. How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

Description: Assessments.

**VI. Addressing Learner and Community Needs (80 percent of an LEA's Allocation)**

1. After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A.):

Description during SY21-22: Creating a safe environment in our building by improving our heating system.

We will better regulate the heat and improve windows that have let heat out in the past.

Description during SY22-23: We will work on creating more natural playscapes and outdoor classrooms.

Description during SY23-24: \_\_\_\_\_

2. The LEA's use of funds to address the top priority needs identified in the New Hampshire Department of Education's robust, statewide consultation with stakeholders:

a. Providing individualized instruction:

During SY21-22 (check one): Yes:  Somewhat:  No:

During SY22-23 (check one): Yes:  Somewhat:  No:

During SY23-24 (check one): Yes:  Somewhat:  No:

Description of all SYs: More and Higher quality paraprofessionals that will allow excellent individualized instruction, in all three years.

b. Addressing educator fatigue, including providing performance-based bonuses to teachers:

During SY21-22 (check one): Yes:  Somewhat:  No:

During SY22-23 (check one): Yes:  Somewhat:  No:

During SY23-24 (check one): Yes:  Somewhat:  No:

Description of all SYs: Extended learning opportunities driven by the teaching staff as well as support staff in all three years.

During SY23-24 (check one): Yes:  Somewhat:  No:

Description of all SYs: Communication will continue to be a high priority as it was during SY 20-21 with all the flux of our school year.

3. The LEA's use of funds to address the following additional needs identified in the New Hampshire Department of Education's robust, statewide consultation with stakeholders:

a. What amount and percentage of the LEA's total allocation will be administered under school leader discretion:

Amount: We are not sure at this time

Percentage: \_\_\_\_\_

Allocation methodology including the extent to which it reflected student need for, at minimum, Special Education, Free and Reduced-Price Lunch, and English Language Learners:

\_\_\_\_\_

b. What amount and percentage of the LEA's total allocation will be used to support Career and Technical Education:

Amount: \$0 as this school is all elementary

Percentage: \_\_\_\_\_

Description, including funds used to support learner obtainment of industry-recognized credentials: \_\_\_\_\_

c. The extent to which funds will be used to provide access to course access opportunities, including advanced, elective, and remedial courses provided outside of the residential public school that a learner could not otherwise access:

During SYs 21-24 (check one):      Yes:       Somewhat:       No:

Description of all SYs: We haven't discussed yet.

**VII. Addressing the Unique Needs of All Learners**

1. How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Description: Continued frequent meeting of our Child Study Team to assure no child falls between the cracks.
