

LEA ARP ESSER Plan: "A Plan for the LEA's Use of ARP ESSER Funds"

Please submit in both Excel and PDF form to [ESSER@doe.nh.gov](mailto:ESSER@doe.nh.gov) by 2/23/2022.

The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over \$350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan." See the Department of Education's most current guidance posted here: <https://omb.report/ocr/202201-1810-002/doc/117519100>.

For further context, please reference ARPA (<https://www.congress.gov/bills/117/congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

## VII. Addressing the Unique Needs of All Learners

- 1) How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

***Description:***

Literacy is the fundamental building block of all learning. Students learn to read and then they read to learn. Literacy is the gateway to all learning and a lack of literacy disproportionately impacted those most affected by the pandemic; strong literate students were more able to benefit from remote instruction. By focusing on learning and especially basic literacy, SAU 67 is using these funds as they are intended in spirit and law.

### VIII. Addressing Unique Renovation, Air Quality and/or Construction Needs

- 1) If the LEA plans to use or has used any portion of ARP ESSER funds for construction projects, describe those projects below. Each project should be addressed separately. If needed, LEAs may submit additional supporting information. Please insert "N/A" if this category is not applicable to your plan. Please also note that these projects are subject to the NHDOE's prior conceptual and final approval:

The ARC program is a high-quality curriculum designed to accelerate learning, dramatically improving outcomes for both students and teachers. ARC is backed by research, additional independent state reviews, and implementation results across the country.</p> <p>In the ARC program, texts with which students engage are appropriately rigorous and rich, and are accompanied by cohesive writing and speaking questions and tasks. The materials provide practice and production opportunities for students to grow their foundational literacy skills in multiple areas as they build knowledge. There are multiple opportunities for students to synthesize information by working with varied tasks and in growing research and critical thinking abilities. Materials are organized to support vocabulary development, writing instruction in multiple modes, and independent reading of complex texts over the course of the year. The materials also include support for educators to plan, implement, and differentiate the standards-based materials.</p> <p>ARC lessons and tasks are centered around high-quality texts. SchoolPace enables teachers to assess and conference with students using the electronic version of the Independent Reading Level Assessment (IRLA) through our LMS. Identifying a student's IRLA level and Power Goal (the priority skill a student needs to master) facilitates a teacher's ability to differentiate lessons, tasks, and other content by downloading and assigning blackline masters of student activities. Please follow these steps once all tabs of your Districts Excel workbook are completed.

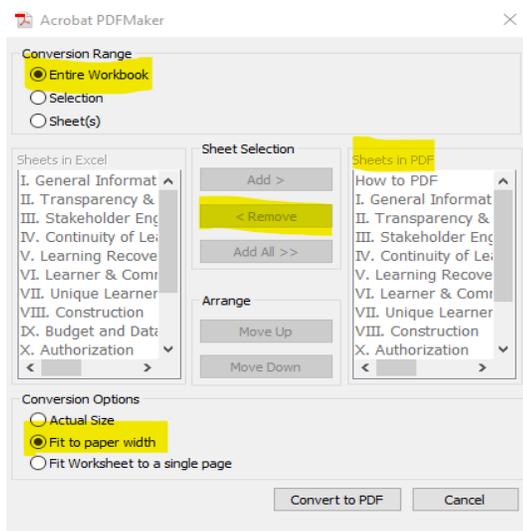

1) Go to File:

2) Select "Save as Adobe PDF":

3) Select "Entire Workbook" and "Fit to paper width." Locate the "IX. Budget and Data Reporting" tab from the list beneath "Sheets in PDF." Select "Remove." The reason is because this spreadsheet is so large, that the information will not easily transpose. The IX.
