

The Office of Nutrition Programs and Services (ONPS)

The ONPS provides educational leadership, program technical assistance, federal and state funding and general services that promote and fund health, nutritional daily needs of children and adults and nutrition education for all program participants through the administration of USDA Child Nutrition Services in New Hampshire schools, institutes and summer programs.

National School Lunch Program (NSLP)

The purpose of the National School Lunch Program is to safeguard the health and well-being of the Nation's children, as declared in 1946 by Congress in the National School Lunch Act. The School Lunch Program makes it possible for schools to serve nutritious inexpensive lunches to students each day. Schools may also serve meals during summer months.
