The New Hampshire Bureau of Vocational Rehabilitation (NHVR) along with the NH State Rehabilitation Council (SRC) are looking for information on how the vocational rehabilitation program is working for our customers.

To do this, NHVR has contracted with the Institute for Community Inclusion (ICI) at the University of Massachusetts Boston to conduct a satisfaction survey.

The survey will gather satisfaction results for three areas:

- 1) VR services,
- 2) Services for Blind and Visually Impaired, and
- 3) Individuals receiving services from the Older Blind Independent Living program.

We will use this information to enhance services and improve the overall program.

There are several ways to access the survey, including online, by phone, or by mail. If you received services between October 1, 2019 – September 30th, 2020, the ICI will be reaching out to you.

If you have questions or would like to participate in this effort, please contact Ella McAllister, NHVR, at (603) 271-3803 phone or Ella.K.McAllister@doe.nh.gov email.

Thank you in advance for participating in this important process, and we look forward to hearing your feedback.

A handwritten signature in black ink that reads "Lisa Hinson-Hatz".

Lisa Hinson-Hatz
Director, NHVR
