What We've Been Up To...

We had a great first few weeks getting to know each other and getting to know the routines and expectations of kindergarten. We had lots of time to play inside and outside. We also read several stories, painted, used playdoh and shaving cream to practice our names, learned and sang many new songs, and much more!

Arrival:

Students can be dropped off between 7:35-8:00. The kindergarten team has decided to have kindergarten students come directly to the classroom for at least the first trimester, maybe longer. If arriving after 8:00 students should be walked into the office as the door in the back-parking lot will be locked and you will need to be buzzed in by someone in the main office.

Dismissal: 2:40.

Pick Up Students:

Car riders will be dismissed to the loop in the back parking lot. You will have a name tag today to be displayed in your car window. Once you get to the pick up spot a teacher will bring your child to your car.

Walkers will be dismissed out the front doors by the bus loop.

Bus Students: Kindergarten students taking a bus will be walked to the bus everyday by the kindergarten classroom assistants.

****Please continue to use and keep Pick-Up Patrol updated as it makes our end of the day run much more smoothly!! ****
