What Should my Child Bring to Kindergarten???

- A backpack large enough to fit a folder, lunchbox, and other belongings.
- A lunchbox with a snack and a lunch. You can also buy lunch from the school cafeteria, but you will still need to send a snack each day.
- A water bottle with students' names written on it.
- A change of clothes in a large ziplock bag for occasional spills or accidents.
- We will provide all school supplies your child will need. If your child would like to bring in a special pencil box or items of their choice to keep in their desk they are welcome to, but it is not necessary.
- Please do NOT send in toys or other items daily for students to play with. We have lots of toys here!

year. To begin the year I will ask that you send in or email me a picture or two of your child's family members. The students really enjoy being able to look at their pictures throughout the school day.

Parent / Student Survey

Thank you in advance for taking the time to complete the attached questionnaire. No one knows your child better than you! I'm looking forward to reading your responses and getting to know your child better. You can email your response to me at your earliest convenience, bring them to the welcome back evening, or send them in with your child on the first day of school. This is going to be an amazing year!

How will your child be going home from school each day?

Please use *PickUp Patrol* to let us know how your child will be going home each day.

Families Represented in the Classroom
